****Please pick up your CME/MOC Certificate from the CAMA table and turn in your FAA testing material to the FAA representative prior to your departure.**

No CAMA activities are planned for Saturday evening. You are free to plan your own activities for the evening or to depart for home, if you prefer.

Emergency Contact During the Meeting:

Sherry Sandoval, CAMA EVP
Call or Text 770-487-0100

PROGRAM OBJECTIVES:

-) To understand and apply the changes in aviation medicine to the individual’s private practice
-) To assess specific clinical conditions/disciplines with respect to aviation medicine to correctly utilize the Federal Aviation medical standards with the specific conditions discussed
-) To Comprehend the FAA medical program initiatives
-) To understand to be able to work with the aeromedical certification system
-) To comprehend the legal aspects of being an AME

This program is approved for FAA-AME training.

CONTINUING MEDICAL EDUCATION

This program has been submitted to the American Academy of Family Physicians for a CME rating.

It has also been submitted to the American Board of Preventive Medicine (ABPM) for a rating of LLSA credits towards ABPM MOC Part II requirements.

Each person requesting MOC credits is requested to take the following ABPM survey at the following link at the completion of the meeting:
